## "PREMIUM" GLASS POLISH

*Juniperberry*

An elegant, effective and completely safe alternative to ordinary commercial glass cleaners. This *ammonia-free* formula beautifully cleans and polishes any glass surface, leaving behind an invisible protective coating that actually repels future dust, dirt and residual bacteria. Hence, your glass surfaces will stay cleaner, longer. **DIRECTIONS:** Murchison-Hume is a natural product. Please shake well before use. For best results, simply spray your glass surface and wipe with a dry, lint-free cloth. For electronic equipment, do the reverse: Spray your cloth lightly and wipe clean until dry. Clearly Brilliant.

500ml (16.9fl.oz)

**INGREDIENTS:** Plant-based *colloidal surfactant* (organic cleansing agent) made from water, sugar-cane and coconut oil. Lightly scented with a blend of fragrant and essential oils.

**MURCHISON-HUME ADVICE:** Clean windows on a cloudy day as a hot sun can dry windows faster than you can, causing those nasty streaks.
